

## 2018 STUDENT LEADERS

Dear Parents

Yesterday the Year 5 students nominating for the 2018 school leadership positions presented their speeches to the students in Years 4 – 6 and various staff members. The speeches were of a high calibre and every student deserves to be recognised for their excellent efforts and obvious commitment to be a good leader in 2018. They had clearly spent a great deal of time and effort preparing and they found some truly inspiring quotes about leadership.

Following the speeches, students in Years 5 & 6, and staff, chose those students, who they believed had the strongest leadership skills to undertake the various roles, through a secret ballot process. Votes were then counted by Miss Wright & Miss Bechelli and the Principal and Assistant Principals met to give the final approval prior to informing the students.

I would like to congratulate all students for their efforts and it gives me great pleasure to formally notify the community that the following students will be leaders in 2018.
