3rd February, 2017

Chisholm Canteen Service

Dear Parents

As mentioned in Mar’s letter to the community last year, Chisholm College Canteen will be providing a service to the St Columba’s School students. The Chisholm College Canteen will be providing lunches for St Columba’s students, via the Online Canteen, in 2017. Parents/Students will be able to order their lunches on line, five days a week. The lunches will then be delivered on the day and distributed to the children, daily. We are hoping to have the online canteen fully operational by next week (Week 3).

Orders can be placed from next Monday 13th February.

Parents can continue to use their canteen online accounts that were used for St Columba’s Canteen. Orders will be automatically redirected to Chisholm College.

If parents have closed their account or do not currently have an account they will need to create an account by following the link: https://www.ouronlinecanteen.com.au

Please note: your account will need to be in credit before an order can be placed.

Chisholm College Canteen Staff members have made every effort to ensure there is a separate St Columba’s preparation section within their canteen and that cross-contamination with Chisholm preparation will be minimised as much as possible. Chisholm College have purchased new utensils, cutting boards, tea towels etc. Having stated this, they cannot guarantee 100% there will be no contamination because they’re not an allergy friendly school. No outside catering company can guarantee they’re nut free. Chisholm college are very much aware of our
policies and will do everything in their power to ensure there is no cross contamination, to the best of their ability.

Attached to this flyer is the initial canteen menu Chisholm College have formulated for St Columba’s. The menu isn’t the full ‘Traffic Light System’ we had at St Columba’s, but there are plenty of healthy items to choose from. It will obviously be at the parents’ discretion as to what the children order. To add to the above I have managed to organise having the canteen open at lunch times to sell slushies and ice creams only. This will be a cash transaction at the time of purchase and cannot be ordered via the canteen online. This will also be operational from next week (Week 3).

Available directly from St Columba’s canteen at lunch time (cash only)

Slushies - $2.70
Ice cream/Icy poles from -60c - $1.70
Frozen yoghurt – price TBA

Grace Monterosso, Chisholm College Canteen Manageress, has advised me she would welcome St Columba’s parents to assist as volunteers in making the lunches. If you some spare time, and would like to assist, please contact Lisa Slocum in the office, or email her at slocum.lisa@cathednet.wa.edu.au. Lisa will then pass the contact details onto Grace.

I would like take this opportunity to thank Paul Shanahan for liaising with the Chisholm College Canteen staff and making it happen. Paul spent countless hours during the school break putting everything together so we can provide a service to our community. Over the coming weeks, a Canteen Sub-committee will be formed to liaise with the Chisholm College Canteen staff and to make decisions. I am confident every box has been ticked, but we may experience some teething problems initially. Please be assured no child will go without food if there is a mix up.

Thanking You,

Greg Martin
