Dear Parents

Cardinal George Pell

The recent news of the conviction and sentencing of Cardinal Pell has been deeply distressing for all Catholic school communities, particularly for those whose lives have been impacted by sexual abuse.

Out of respect for the ongoing judicial process, Catholic Education Western Australia will not be providing comment on the conviction and upcoming appeal at this time, other than to say that we must continue to acknowledge the pain of all victims and survivors of abuse, and provide support to them and their loved ones wherever and however we can.

As a school community, this is a reminder that every student and staff member needs a safe and supportive learning environment, and that the wellbeing of all in our school remains our highest priority.

This is indeed an extremely difficult and confronting time and I encourage you to contact me directly if there is any further support needed.

Take care

Art Lombardi
