Declaration

In registering yourself and your children with Columba Runners you are giving consent for **photos** and achievements to be posted on the closed Columba Runners group Facebook page. Images may also be used in the school newsletter.

As Columba Runners will run at the public **Frank Drago Reserve** this season, all children must have a parent present or a designated carer to oversee their safety. The Columba Runners Committee are not responsible for the safe transport from and back to school.

Behaviour not befitting a Columba Runner will not be tolerated. This includes abuse of other runners or helpers, damaging other's property or dangerous behaviour. A 3-strike rule applies: first verbal warning, second written notification to parents and a third offence will result in exclusion from further Columba Runners events this season.
