Columba Runners HBF Fun Run Information

For all runners that have registered with the St Columba’s Team, Jeannie Pincus will be collecting your race packs and distributing them this Thursday and Friday afternoon on the basketball courts at School pick up.

If you did an individual registration then you are responsible for picking up your own race packs from the Perth Arena. This can be done from this Thursday 7.30am-6.00pm, Friday 7.30am-6.00pm and Saturday 9.00am-4.00pm.

Starting times for the event this Sunday are:

12km at 8.00am and 4km at 8.45am

It is advised you turn up at least 45 minutes before to your race, for safety reasons please ensure all your child’s contact details are filled out on the back of their race bib.

Public transport is free to all competitors and last year we met at the Bayswater Train station and headed in together. Check www.transperth for train times.

It is very busy at the finish line, so once you pass this line you are then ushered into the middle of the main arena where you can collect your powerade and fruit, we are going to gather at the meeting point “A” (see attached map of the start and finish area). Please show it to your child/children so they understand where to head to. We hope to get a team photo at around 9.30-10.00am.

All parents please note it is your responsibility to run with your child/children on event day and not the responsibility of the Columba Runners Committee.

Have a great day, enjoy yourselves and have fun.
