Dear Parents

The Sport and Recreation Committee will again be running an after school swimming training program in Term Four and Term One 2012.

The program is run by the Sports and Recreation Committee and the students are coached by parents from St Columba’s School who have an extensive Aquatic Background. All have held swimming teaching qualifications as well as managerial positions within Aquatic Centres.

The St Columba’s swimming training is designed for students of St Columba’s School to work on improving their fitness training in a safe and friendly environment. We offer training to students that have the ability to swim at least 100m of each competitive stroke. It is not a Learn to swim program, but a group fitness training platform that focuses on distance and strength work. Students will have the opportunity to train and keep fit, while improving their swimming skills. All students that were selected for the Interschool Swimming team are encouraged to register.

**Dates:** Monday 31st October - Wednesday 14th December 2011

**Session Times:** Monday and Wednesday 3.30pm - 4.30pm
