Sparkling Summer 2012 – Nearer to Nature

Enjoy the environment in all its splendour during summer. Hot days and balmy nights are here and casting a magical glow on nature.

During the summer holidays, the team at Nearer to Nature are providing you with an activity program that will ensure you enjoy this amazing time of year. Lots of bush activities will be on offer.

Getting into the theme of this magical time of year, join Faerie Cara on a journey of mystical discovery into our enchanted environment.

Grab a torch and join in on an evening of nocturnal delights at the Perth Hills Centre or go ‘behind the scenes’ at Chidlow Marsupial Hospital, where you could come face to face with some of Perth’s most enduring creatures.

Bookings are required for all activities, so please call (08) 9295 2244 or for more information visit www.dec.wa.gov.au/n2n. Payment can be easily made by credit card at the time of booking.

What is Nearer to Nature?

Nearer to Nature is an initiative of the Department of Environment and Conservation (DEC). The Nearer to Nature team provides the community with interactive, nature-based activities that are designed to enhance enjoyment, knowledge and interest in the natural environment.

Become a Discovery Club member for instant benefits

As a member of Nearer to Nature’s Discovery Club, you will get the first look at activities scheduled for upcoming seasons, giving you the best chance of booking a place on even our most popular activities. You also receive a discount on activities as well as our quarterly newsletter, which is jam packed with interesting stories, craft activities and information about flora and fauna. All this is only $15 per year for the whole family.

Call now and your membership discounts will apply to activities this season.

Fun activities for your group

Looking for a unique activity for your workplace, group or social club? Our activities not only help build motivated teams and bring people together for a unique shared experience, they are also a lot of fun. Group activities can be held at any of DEC’s national, regional or marine parks, or we can bring our activities to you.

We can tailor an experience to suit your group’s needs and our activities last anywhere from two hours to a whole day (or night). Catering and camping can also be provided, ensuring a completely stress-free and relaxing experience.
Captivate the kids

Keeping the children entertained during the holidays has never been so easy. Let the *Nearer to Nature* team ‘captivate the kids’ with fun-filled activities designed especially to capture the imaginations of children.

Note: Adults please note that for all ‘Captivate the kids’ activities, an adult must remain on site with your child throughout the activity (unless otherwise stated). There is no charge for accompanying adults.

Share the experience

Enjoy amazing *Nearer to Nature* experiences with your family or group. These activities are designed to be enjoyed by most ages, so if you are looking to spend some quality time together, join our ‘Share the experience’ activities.

Note: ‘Share the experience’ activities are designed to suit most ages but some activities are age-specific. This will be advised within the individual activity content in this brochure. A paying adult must accompany all children under 16.

Adults only

For the over 18s our ‘Darlings of the range’ Valentine special is sure to win the heart of your loved one.

Discovering the six seasons
Did you know Aboriginal people had six distinct seasons instead of four? They used the changing of these seasons to herald their move to new hunting grounds. Take a journey through the six seasons with a Nyoongar guide in this interactive activity held in the traditional hunting grounds of the Beelu National Park.

What to bring: Water, weather-appropriate clothing, sunscreen, hat and a camera.

Note: An adult must remain on site throughout the activity.

Cost: $15pp/$13 Discovery Club  
Age: 7 to 12 years

Location: Perth Hills Centre  
Duration: 2 hours

Discovering Yaberoo Budjara
Yaberoo Budjara (the land of the people north of Perth) was an important place for Aboriginal people during the season of Birak. This was a time of year when Nyoongar tribes moved to the coastal plane, a time of year when hot and dry easterly winds blew. Join us at Yanchep National Park to discover more about the lives of our Indigenous people during this special time of year. Have your face painted ready for the hunt, try your skills at tool making and hand around the bush tucker as you listen to dreamtime stories around the ‘kala’ campfire.

What to bring: Water, weather-appropriate clothing, sunscreen, hat and a camera.

Note: An adult must remain on site throughout the activity.

Cost: $15pp/$13 Discovery Club  
Age: 7 to 12 years

Price includes entry to Yanchep National Park.

Tips to maximise your Nearer to Nature fun!

1. Don’t forget to bring:
   • a bag for your litter
   • drinking water and lunch or snacks if required
   • a great sense of fun and adventure!

2. Wear clothing appropriate for your activity:
   • weather protection gear – plan to protect yourself from the sun or rain
   • comfortable and durable clothes
   • sturdy, enclosed footwear in the bush (sandals are best for water-related activities).

3. Activities will begin on time – please arrive 10 minutes early for registration.

4. Please leave all pets at home.

5. Safety is our concern, but your responsibility.

Have fun and stay safe.
