**ANNUNCIATION**

**Thoughts on the Gospel:**

It is always good to be present when someone changes their eyes

Can you remember a time when someone or something changed before your eyes and you saw goodness and beauty that you had never seen before? Together, we were changed deeply? It could be the beauty of nature: a river, a lake or the ocean, a sunrise, a sunset or the stars in a clear night sky. At a particular moment, and completely unexpectedly, you suddenly saw something that touched you. You could say to yourself what St Peter said at the Transfiguration: “it is good for me to be here.”
