What is Baptism?
Holy Baptism is the basis of the whole Christian life, the gateway to life in the Spirit (vitae spiritualis ianua), and the door which gives access to the other sacraments. Through Baptism we are freed from sin and reborn as children of God and heirs to heaven. You went through the entryway into membership in the Church, and, because of that, you may receive other sacraments as well.

DO YOU REMEMBER?
Do you remember the place and date of your Baptism?
Do you remember the name of the person who baptized you?
Do you celebrate the anniversary of your Baptism?
Do you love to celebrate birthdays, but what about the day you were born into eternal life?
On your own Baptism, you became a child of God and an heir to heaven. You went through the entryway into membership in the Church, and, because of that, you may receive other sacraments as well.
