ST. COLUMBA’S HOT SOUP
What are the two cloth pieces placed on the altar for?

The altar servers prepare the altar by placing the corporal of linen used as an undercover for the sacred vessels used for the Eucharistic sacrifice. The altar servers wipe the corporal with the purificator to remove any impurities, dirt or stain. The purificator is a strip of fine linen used as an undercover for the sacred vessels used for the Eucharistic sacrifice. The purificator is also used to dry the sacred vessels at the end of Mass.

Thoughts on the Gospel:
In the Gospel, Jesus sent the twelve disciples to every town and place he was planning to visit, proclaiming that the Kingdom of God is at hand. He was speaking to the people that they were to shake off the dust from their feet and move on. Even in the case of such rejection they should know that the Kingdom of God is at hand. When they return from their journeys, they are rejoicing because their mission has been successful. Demons are under their power because of Jesus’ name. Jesus may have sent them out among wolves, but at the conclusion of this passage he assures them that they have been given power over the enemy and nothing will harm them, not even serpents and scorpions. A key theme of today’s Gospel and last Sunday’s Gospel is the discipleship of Jesus and his call to his disciples.
