ST COLUMBA’S HOT SOUP
Do I have to pray out loud at Mass?
It is very important to pray out loud as an expression of your heart-felt participation in the Mass. By gathering together in prayer, we give honor to our Lord Jesus Christ. We also allow the Mystical Body of Christ to be present in the church and to pray for us. When we pray, we are praying together and each of us is joined in prayer in one voice. It is very important that all of us are united in prayer.

POPE FRANCIS - YEAR OF MERCY QUOTES
If we open ourselves up to welcome God’s mercy for ourselves, in turn we become capable of forgiveness.

THOUGHTS ON THE GOSPEL:
Jesus is praying; then he turns to the disciples to ask who “the crowds” say he is. Mark places this incident at Caesarea Philippi. Luke, however, because of the importance he wishes to give to prayer in his Gospel, places the incident just after the disciples’ prayer. The disciples answer that people say he is one of any number of the prophets who have died, from the recent John the Baptist to a prophet from long ago. Jesus then asks the disciples who they say he is. Peter answers for them that Jesus is the Messiah of God. Immediately Jesus tells them not to tell anyone, because he doesn’t want people to know, but because they don’t understand what being the Messiah means. Jesus then asks his disciples what the importance he wishes to give to prayer in his Gospel, following in the same path as the Messiah, suffering and dying. True life is found by giving up life.

Proceedings on the Gospel:
"In this week’s Gospel, Jesus challenges us with the words: "For anyone who wants to save his life will lose it; but anyone who loses his life for my sake, that man will save it. Who does not take up his cross and follow me is not my disciple."
Jesus does not mean that you have won the whole world and to have lost or ruined his very self? Take some time to reflect on what these words mean for your marriage. What are your ways being called to give more of your life for your spouse and marriage?
