Parent-Child Connection

Raising children should be one of life’s greatest experiences, but as any parent knows, it is not an easy task.

People with children under ten are invited to this four-week course to learn new skills, feel better about their parenting and gain confidence.

Topics include

- developmental stages of children and temperamental traits
- different parenting styles
- need for boundaries and rules, the giving of instructions and the consequences, both negative and positive, of withdrawing attention
- understanding behaviour patterns and communication
- need for positive self-esteem and resilience
- environmental influences.

Raising Girls

a workshop for dads

Find out how you can build a rewarding father-daughter relationship.

As the primary male role model in a girl’s life, fathers play an important role in the development of their self-concept and self esteem. This affects how they relate to others, particularly to boys and men.

This workshop will discuss:

- common myths and mistakes around father-daughter relationships
- the importance of the father-daughter relationship
- what daughters need from their dads
- practical ways to improve and maintain a positive and rewarding father-daughter relationship.
