St Columba's School Bayswater

Bursary Policy & Application

APPLICATION FOR A BURSARY

Introduction

St Columba's School will be providing financial assistance to selected future students of St Columba's School Bayswater whose parents are experiencing financial hardship and who are able to provide the necessary documentation to prove this.

The school Bursaries are funded largely from St Columba's endowment monies held in perpetuity in the school's 'Bursary Fund' account and are granted upon the recommendation of the 'School Board Bursary Sub-Committee'. They are selected from applicants who can demonstrate the following:

- Financial need
- Commitment to academic progress
- Evidence of any kind of community contribution either at a previous education establishment, or with a charity organisation, a church etc, and/or describe why they desire that their child be educated at St Columba's school.

A family/personal commitment to the life at St Columba's School is an important part of being a student at the school. Because the demand for bursaries is high, it is not possible to assist every applicant. The School Board Bursary Sub-Committee reserves the right not to grant bursaries where it is of the view that there is insufficient merit or need. The holding of any such award is subject to financial need and satisfactory academic progress.

St Columba's School Bursary

Bursaries are available for new applicants/enrolments only. The criteria for the award of Bursaries is based on financial need, academic commitment and contribution to school/church life, with the primary weighting on financial need. The School Board Bursary Sub-Committee has the discretion to determine the amount of a bursary depending on the level of financial need. Funds are currently available for the award. Those awarded a school bursary amount will receive from the Bursary Fund payments of school fees, uniforms and a yearly booklist.
